MEMORANDUM FOR: Acting Deputy Director (Support) *HL*

SUBJECT : Manpower Survey Report

1. Attached is the SSA-DD/S response regarding the Manpower Survey. This completes all DD/S action in connection with the Manpower Survey team report. You may desire to scan briefly reports which we have received from other DD/S components on this score, and I have attached them for your convenience.

2. You will recall that the Comptroller assigned responsibility to members of the Financial Policy and Budget Committee for action items contained in the Manpower Survey Report. Although we have previously notified the Comptroller that we would render a formal report when we completed this action, I do not believe this is necessary because the entire matter appears to have died on the vine. I therefore recommend that you scan the attached and return to file.
